

Re-enrolment for September is an easy, two-step process:

1. Complete this form and return it to Student Services by third Friday in February.
2. Pay in full the first semester Tuition and Fees by the first Friday in August in person at any Campus, by calling Admissions, or online via your MyNSCC account. If you have a student loan, or other type of financial aid, please discuss this with campus finance prior to the tuition deadline.

Please note: Once program costs are finalized for the upcoming year, www.nscC.ca/fees will be updated.

I intend to return in September:
